JULY 2001

PRESIDENT JOHN WISE STEPS DOWN...

John Wise in flight, Jan. 2001

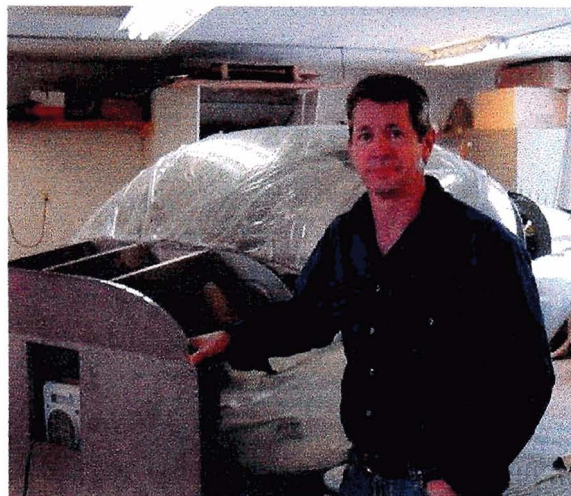

John Wise has decided to step down as President of EAA Chapter 932. John has been very active in the Chapter for all its thirteen year history, serving as an officer and/or director the whole time. He has been president for the past ten years and is the one who single handedly kept the Chapter alive during its darkest hours when membership dropped to five or six in the early '90's.

Under his leadership, the Chapter has been rebuilt, today boasting a membership of 62. The majority are quite active and recent Chapter events have been successful and well attended. John has really been the "spark plug" in the organization. It's due to him that we have a chapter hangar (and addition) today. There were many times in the past when things needed to be done and John, often aided by wife Marilee, were the only ones that showed up to do it. For all this, the membership is truly grateful!

We are happy that John will remain on the Board of Directors and serve as Chairman of the Chapter's Properties Committee, as his input is still necessary and very much appreciated.

Thanks, John. We owe you!

...AND V.P. MARK KROHN TAKES THE HELM

Mark Krohn with his RV-6 project

At the June Board of Directors meeting, Mark Krohn was elected to complete John Wise's term as Chapter president. (See minutes of the B.O.D. meeting P. 2.)

Mark owns the Cessna 170, N1241D, tied down immediately north of the Galt office. Mark is building the RV-6 project in the Chapter Hangar which he hopes to complete during his lifetime. (Just kidding, Mark.)

JUNE MEETING – JULY (14th) MEETING

The June meeting was brief and consisted of debriefing the Board of Directors actions and the Pancake Breakfast, and laying plans for the August *Flyers and Tires* event. No business was brought before the membership.

The July meeting will be held Saturday July 14th at 10:00 AM at the Chapter Hangar. We'll firm up our plans for *Flyers & Tires*. A Board of Directors meeting will precede the membership meeting at 9:00 AM.

Weather permitting, we'll fly up to Iola, WI for the *Iola Old Car Show* – one of the biggest in the USA! Don't miss this one!

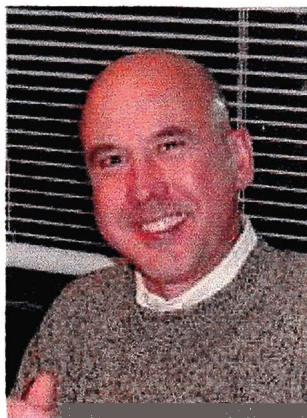

MINUTES OF THE JUNE B.O.D. MEETING

The following resolutions were passed at the June EAA Chapter 932 Board of Directors meeting:

- 01-01 "Whereas John Wise has elected to step down as President and Chairman of the Board of Directors of EAA Chapter 932, be it resolved that in accordance with Article IX of the Chapter bylaws, this board appoints Mark Krohn to hold that office and Chair for the remainder of the term. Be it further resolved that in order to retain his good consul, John Wise be appointed a Class II Director for the remainder of the current term."
- 01-02 "Whereas Jack Hartery has moved out of state leaving the office of Secretary, the position of Young Eagles Coordinator and a Class I Director seat vacant, be it resolved that Jeff Hill, Sr. be appointed to serve as Chapter Secretary and Class I Director for the remainder of the term and be it further resolved that Larry Schubert be appointed Young Eagle Coordinator and Class II Director for the remainder of the current term."
- 01-03 "Be it resolved that John Wise be appointed Chairman of the Chapter Properties Committee which shall oversee the use and safekeeping of the Chapter's physical assets, such as the Chapter Hangar and it's contents, our tent, tables, chairs, gas grills, tools, signs, displays, etc."
- 01-04 "Be it resolved that Carla Nusbaum be appointed Chairwoman of the Chapter Recognition and Appreciation Committee which shall endeavor to assure that members are recognized for their services and benefactors are properly thanked for their generosity."

The office of Vice President, formerly held by Mark Krohn and the associated Class I Director's seat now vacant will be addressed by the Board at it's July meeting.

The Board would like all members to join them in sincerely thanking John Wise and Jack Hartery for their unselfish past service – it is really appreciated!

Larry Schubert, Director and Young Eagles Coordinator

FLY – IN CALENDAR JULY 2001

Selected events within about a 150 mile radius of 10C. Call ahead for additional information, details.
